Specifications		XS-A1M58C
Discription	MTC SGI AM Mono system	
Article number	XS-A1M58C	
Dimensions	1530 x 435 x 45 mm	
Frequency	AM, 58 kHz	
Operating temperature	Up to 85°C / 185°F	
Power supply	110/220 volt	
Detection range DR-Labels	Up to 0.9 m both sides	
Detection range hard tags (X50, MTC Dome, Mini pencil)	Up to 1.20 m both sides	
Detection range when using Xtreme Tag	Up to 1.60 m both sides	

Specifications		XS-A2M58C
Discription	MTC SGII AM Dual system	
Article number	XS-A2M58C	
Dimensions	1530 x 435 x 45 mm	
Frequency	AM, 58 kHz	
Operating temperature	Up to 85°C / 185°F	
Power supply	110/220 volt	
Detection range DR-Labels	Up to 1.80 m	
Detection range hard tags (X50, MTC Dome, Mini pencil)	Up to 2.40 m	
Detection range when using Xtreme Tag	Up to 3.20 m
